It's all so different but we are seeing more of it now. Nice to see how this is working on you and I hope everything does work out for you. Hi Errol, yes, I have had a lot of contact with Bell and she was very helpful with identifying and resolving the issue. I received 2 passes to attend a customer training course with Bell and it was a great insight into how her customers use DraftSight. I realise things can (and do) go wrong. I have now entered the World of DraftSight and hopefully I will be working with it for a while.

Drawings in CAD Productivity and B2B Informatics Ltd. (Henceforth referred to as Drawings in CAD (DxCAD)) is pleased to be publishing the story of the development of DraftSight, a powerful CAD software suite, and of the teams of highly skilled professionals who have worked on the project since 2007 (working title: Solways CAD), under the guidance of the principals who created and sold the first CAD software product to the UK market. 0 comments Choose your language We use cookies to personalise content and ads, to provide social media features and to analyse our traffic. Lebanon - Christian activist in \$2.8 Million Civil Lawsuit Fatima Altalou is one of 18 people in Lebanon to have been sued under religious defamation laws. She and 19 co-plaintiffs are accused of insulting Islam and Lebanese culture after they put up posters in a Christian area depicting Muhammad with a bloodied face and a drawn-out tongue. Why is the church using anti-Muslim laws to block the right to free speech? Lebanon is the first government in the Middle East to criminalise the contempt of any belief, replacing defamation laws with religious laws to silence anyone critical of religion. Lebanese men, women and children are being persecuted across the country for so called 'defamation of religion'. In the last three years, 18
